

L'ORÉAL BRANDSTORM *Hackathon*

WHAT IS OUR HACKATHON ABOUT?

Are you passionate about **Sustainability** and/or a big fan of solving a **real Business Challenge** with real future colleagues? Our **Brandstorm Hackathon #Germany** is what you've been looking for! And what's best? We require no programming skills since **#itsallaboutbusiness**.

During the 2-day Hackathon in our headquarter "J1" in Düsseldorf you will have enough time to solve the case, collaborate with our experts and gain all the insights you need. And **don't worry**. Food, drinks, accommodation and much more will be free of charge and taken care of by L'Oréal!

Sounds good? Then sign up!

Visit our platform, register, build a team of 3 or find teammates and answer our short pre-selection question. **That's it!** And since we know that you have a lot of things on your agenda, **no pre-work is needed!**

WHAT'S IN IT FOR YOU?

Represent Germany in the international final | Win a **3-month work experience** to further develop your idea at Station F in **Paris** | Take a first step towards an **internship or entry position** | Dive into **L'Oréal** | Learn to **pitch like a pro** | Gain dedicated **mentorship** & business insights | Work in a real business environment | Exchange with top managers | Network, celebrate & party | **Learn and grow** with us

Registration Deadline: JAN 24th
Submission Deadline: FEB 5th
Hackathon: MAR 26-27th
